Battle Royale: Fortnite Edition

Description: Step into the vibrant world of Fortnite
in this high-energy competition!

Players will drop onto the island and compete in teams or solo
to be the last one standing.

Utilize strategy, building skills, and combat prowess to outlast your opponents.

Rules:

Players must compete in teams of four or solo.

All players start with the same loadout.

No cheating or use of exploits.

Matches will be time-limited; the last team/individual standing wins.

Must follow all in-game conduct rules.

Craftopia: The Minecraft Challenge

Description: Unleash your creativity in this Minecraft competition! Teams will work together to complete themed builds in a limited time. Showcase your building skills and teamwork to impress the judges.

Rules:

Teams of up to five players.

Builds must be completed within the specified time limit.

Each build must adhere to the event's theme.

No external mods or cheats allowed.

Judges will evaluate based on creativity, adherence to theme, and execution.

Soundwave Showdown

Description: Test your musical creativity in Soundwave Showdown! Participants will create original tracks using various digital tools and samples. Share your sound and wow the audience with your composition.

Rules:

Participants must submit an original piece, no covers.

Tracks should be between 1-3 minutes long.

Use of digital audio workstations (DAWs) is allowed.

- All genres are welcome.

Submissions must be in MP3 format and submitted by the deadline.

CodeCraft: The Programming Challenge

Description: Put your coding skills to the test in CodeCraft!
Participants will solve programming challenges and puzzles to earn points.
The coder with the most points at the end will be declared the winner.

Rules:

- Individual competition; no collaboration allowed.
- Challenges will range in difficulty.
- Participants can use any programming language.
- All code must be original; no plagiarizing.
- Time limit for each challenge will be specified.

Hackathon Havoc

Description: Join Hackathon Havoc and create innovative solutions in just 24 hours! Form teams and tackle a challenge of your choice, presenting your project to a panel of judges at the end.

Rules:

Teams can have up to four members.

Projects must be completed within 24 hours.

No pre-existing projects may be submitted.

Judges will evaluate based on innovation, functionality, and presentation.

Teams must present their project at the end.

Design Xpress: The Creative Challenge

Description: Flex your design muscles in this fast-paced challenge! Participants will create visual designs based on surprise prompts within a set time. Show your creativity and design skills under pressure!

Rules:

Individual competition.

Participants will receive prompts at the start.

All designs must be completed within the time limit.

Use of any design software is allowed.

Designs must be original and relevant to the prompt.

The Cryptic Challenge

Description: Decode clues and solve puzzles in The Cryptic Challenge!
Participants will work through a series of riddles and codes
that lead them to the ultimate prize.

Rules:

Teams of up to three participants.
Each team will receive a starting clue.
Time limit to complete all puzzles.
No outside assistance or internet searching allowed.
The first team to solve all puzzles wins.

Surprise Showdown

Description: In the Surprise Showdown, participants will face unexpected challenges that test their skills across various tech fields. Prepare for the unknown!

Rules:

Individual or team participation (up to three members).
Challenges will be revealed on-site and may vary widely.

No prior knowledge of challenges is required.

Participants must complete each challenge to progress.

Points will be awarded based on performance.

Girls in Tech: Empowerment Challenge

Description: Celebrate women in technology through this inspiring challenge! Participants will develop projects that address real-world problems while showcasing their skills and creativity.

Rules:

Teams must consist of at least two female participants.
Projects must be focused on tech solutions for social issues.

Presentation of projects is mandatory.

No pre-existing projects may be submitted.

Judges will evaluate based on innovation, impact, and presentation.

Pixel Perfect: Graphic Design Competition

Description: Show off your graphic design skills in Pixel Perfect! Participants will create digital artwork based on a given theme, aiming for the highest artistic impact.

Rules:

Individual competition.

Submissions must adhere to the provided theme.

Designs must be original and created within the event timeline.

Acceptable formats include PNG or JPEG.

Judging criteria include creativity, technical skill, and thematic relevance.

Capture the Moment: Photography Contest

Description: Grab your camera and get ready to snap! In this photography contest, participants will capture images based on a specific theme, showcasing their unique perspective.

Rules:

Individual submissions only.

Photos must be taken during the contest period.

Each participant can submit up to three entries.

Digital editing is allowed but must not alter the essence of the photo.

Winning photos will be chosen based on composition, creativity, and adherence to the theme.

Reel Vision: Filmmaking Challenge

Description: Bring your storytelling skills to life in the Reel Vision challenge! Participants will create short films based on a theme, showcasing their creativity and filmmaking abilities.

Rules:

Teams of up to four participants.

Films must be between 3-5 minutes long.

Original scripts only; no plagiarized content.

Films can be edited but must be submitted by the deadline.

Judging will be based on storytelling, creativity, and production quality.

Discussion Xpress: The Group Challenge

Description: Engage in thoughtful dialogue and debate in the Discussion Xpress! Participants will tackle various topics in small groups, honing their communication and critical thinking skills.

Rules:

Groups of four to six participants.

Topics will be assigned randomly at the start.

Each group has a set time to prepare their discussion points.

Each member must contribute to the conversation.

Judging will be based on clarity of thought, engagement, and respectfulness.

Brainwave Battle: Quiz Edition

Description: Test your knowledge in this fast-paced quiz competition!
Participants will answer questions across various tech topics,
with points awarded for speed and accuracy.

Rules:

Individual participation only.
Questions will range from easy to difficult.
Time limits for each question will be enforced.
No outside assistance or use of electronic devices.
Highest score at the end of the quiz wins.

Crossword Conundrum

Description: Challenge your vocabulary and puzzle-solving skills in the Crossword Conundrum! Participants will race to complete themed crossword puzzles in the shortest time.

Rules:

Individual competition.

Each participant will receive a unique crossword puzzle.

Time limits will be set for completion.

No outside resources allowed.

The fastest to complete the crossword correctly wins.
